

Volunteer Perks!

Volunteer Lounge

We designed a new, special area just for Volunteers. It's a relaxing place to take a break, have a bite to eat and chat with other Volunteers. Don't forget to take a break during your shift to see what the lounge has to offer.

Post-Festival "Volunteer only" show – Date change!

On Sunday, 23 September 2007, at 8:00PM, Colin James is putting on a special show just for Volunteers at the Playhouse. Tickets for this show are exclusively available for Harvest Volunteers at a significantly discounted price to say thanks for your hard work. Volunteer today for your chance to purchase a ticket to this exclusive show you won't want to miss.

Nightly Prizes

This year we will be giving away nightly prizes to our hard working Volunteers. If you go the extra mile to help out or your extra friendly attitude gets you noticed, you could be nominated for your chance to win special prizes.

Volunteer Jam Pass

Upon completion of your Volunteer shifts, you will receive your pass to **one** of six late night shows: Hoodoo-The Electric Boogie on Thursday, Friday, or Saturday; Blues Tent-Afterburner on Friday or Saturday; or the Market-Late Night Jam on Saturday.

Returning Volunteers

If you are reaching a 5 or 10 year Volunteer status, please let us know! We want to recognize and thank you for all your hard work and dedication!
